

Australia Post - Express Post Network

The Express Post network covers 80% of Australian business addresses, private addresses and post office boxes. If your item is for an address outside this network, we'll use the fastest possible transport links, but it won't be covered by our Next Day Guarantee.

For next business day delivery, Express Post items can be sent between all locations listed below.

Location	Postcode range(s)
Canberra	0200-0250; 2600-2639; 2900-2920
